

MAKE THE MOST OF YOUR SUMMER INTERN WITH DAMUTH TRANE

8-Week Paid Internships for EHS and Engineering College Students

ABOUT OUR PAID INTERNSHIP PROGRAMS

PROGRAM REQUIREMENTS

Our EHS and Engineering Internships are open to Junior and Senior college students in an Environmental Health & Safety (EHS) or Engineering degree program.

WHAT TO EXPECT

Throughout 8 weeks between June & July, you'll have the opportunity to attend business functions, job site excursions, safety meetings, shadow sales and service calls & much more!

INTERESTED?

Resumes will be accepted in December through the **Handshake** portal.

ABOUT DAMUTH TRANE

Damuth Trane is a coastal Virginia -based professional energy services company that specializes in providing building solutions to clients through the sale of HVAC equipment, controls, parts, service, and energy solutions. Our client list throughout Hampton Roads, Eastern Shore, Northeast North Carolina and Bermuda includes K-12 schools, higher education facilities, hospitals, federal and municipal government buildings, commercial buildings, and industrial facilities. Since 1970, Damuth Trane has been committed to providing clients with the best building services and systems. Our 3 Parts & Supplies locations have the largest inventory of Trane OEM parts and other HVAC supplies in the region.
