

Press release: July 9, 2007

INSIDE BUSINESS recognized 25 companies Monday at a special luncheon and in a special edition in the July 9 issue of the publication as the Best Places to Work in Hampton Roads. About 215 people attended the event.

Companies were selected after judges reviewed nomination forms and the results of an online employee survey. Companies with more than 500 employees were asked to enter a division or department with fewer than 500 to enhance the credibility of the applications.
