Trainer - Keith Forbes, Center of Technical Excellence

Keith Forbes has worked with Damuth Trane for 25 years. His field knowledge has proven to be a valuable resource for Damuth Trane and our customers.

Hear what some of our customers have said about training classes with Keith:

"Damuth has an excellent training program. We enjoy the troubleshooting and maintenance lessons for electrical pieces on equipment, as well as, the hands on aspect. Attending one training class saved us \$2,000 because we were able to perform the work ourselves."

--Cornelius Harris, HVAC Maintenance Supervisor, Langley Air Force Base

(Our training was) "tailor made, very professional and very knowledgable. We wish there was more time...we want more."

--Rick Saunders, Superintendent Mechanical Section, NASA Wallops
